US District Court for the
District of Delaware
844 North King Street
Lock Box 31
Wilmington DE 19801

RE: Mobius Management Systems, Inc. v. Acartus, Inc.
C.A. No. 05-346 SLR

Dear Judge Robinson:

Enclosed are courtesy copies of plaintiff Mobius' papers in opposition to defendant Acartus' motion to dismiss and for a stay.

In accordance with D. Del. LR 7.1.4, we respectfully request oral argument at the Court's earliest convenience. As set forth in Mobius' opposition papers, Acartus has taken the position that while its motion is pending it will not produce documents in response to Mobius' outstanding discovery requests, even though (i) there is no stay currently in effect, and (ii) a prior order of the Court specifically requires Acartus' compliance with Mobius' First Request For Production of Documents. Accordingly, we respectfully request a prompt hearing.

Respectfully,

Kurt M. Heyman (# 3054)
